High-value color on the big screen

- Manage jobs directly at the MFP, using the 8-inch HP Easy Select color touchscreen.
- Optimize color settings with HP EasyColor. Get vivid results from HP ColorSphere toner, at up to 1200 dpi.
- Print from virtually anywhere with HP ePrint.³ Save and print files directly via an easy-access USB port.
- Receive value out of the box—this product is shipped with a full set of Original HP LaserJet toner cartridges.

Streamlined workflows and robust scanning features

- Streamline business tasks—HP Quick Sets on the large touchscreen enable one-touch workflows.
- Improve workflow by using touchscreen controls to preview, edit, and digitally send documents at the device.
- Easily send to fax, email, or network folder to incorporate paper documents into digital workflows.⁴
- Automatically remove blank pages in scanned documents to avoid wasted paper.

Top-flight manageability and security features

- Rely on world-class solutions for deploying, managing, and safeguarding your printing fleet.
- Help increase security and protect business information across your imaging and printing environment.
- Protect documents with PIN printing capabilities, and add security solutions through the hardware integration pocket.⁵
- Extend the capabilities of work-team print environments, using a rich array of easy-to-integrate solutions.

Outstanding energy- and paper-saving features

- Reduce energy use with HP Auto-On/Auto-Off Technology,⁵ and conserve power with Instant-on Technology.⁶
- Use optional HP EcoSMART Fleet to easily create and manage environmental printing policies and practices.⁷
- Conserve resources and save paper—use automatic two-sided printing and PIN printing.
- Easily recycle Original HP LaserJet toner cartridges through HP Planet Partners.⁸

¹Measured using ISO/IEC 24734, excludes first set of test documents. For more information see <http://www.hp.com/go/printerclaims>. Exact speed varies depending on the system configuration, software application, driver, and document complexity. ²Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups. ³Requires an Internet connection to the printer. Feature works with any connected Internet- and email-capable device. Requires HP Web Services Account Registration. Print times may vary. For a list of supported documents, and image types, see <http://www.hp.com/go/eprintcenter>. And for additional solutions, see <http://www.hp.com/go/mobile-printing-solutions>. Supports the following devices running iOS 4.2 or later: iPad¹, iPad², iPhone³ (3GS or later), iPod touch⁴ (3rd generation or later). Works with HP's AirPrint⁵ enabled printers and requires the printer be connected to the same network as your iOS device. Wireless performance is dependent upon physical environment and distance from the access point. AirPrint, the AirPrint Logo, iPad, iPhone, and iPod touch are trademarks of Apple Inc., registered in the U.S. and other countries. ⁴Built-in stapler is only available on the HP LaserJet 500 MFP M575f. Fax capabilities are standard on the HP LaserJet Enterprise 500 MFP M575f, and are available as an upgrade for the HP LaserJet Enterprise 500 MFP M575dn. ⁵Solutions deployed through the hardware integration pocket may require additional purchase. ⁶HP Auto-On/Auto-Off capabilities subject to printer and settings; may require a firmware upgrade. ⁷HP EcoSMART Fleet must be purchased separately. ⁸Compared with products that use traditional fusing. ⁹Program availability varies. Original HP cartridge return and recycling is currently available in more than 50 countries and territories around the world through the HP Planet Partners program. ¹Measured using ISO/IEC 24734, excludes first set of test documents. For more information see <http://www.hp.com/go/printerclaims>. Exact speed varies depending on the system configuration, software application, driver, and document complexity. ²Based on standard ITU-T test image #1 at standard resolution. More complicated pages or higher resolution will take longer and use more memory. ³Requires an Internet connection to the printer. Feature works with any connected Internet- and email-capable device. Requires HP Web Services Account Registration. Print times may vary. For a list of supported documents, and image types, see <http://www.hp.com/go/eprintcenter>. And for additional solutions, see <http://www.hp.com/go/mobile-printing-solutions>. Supports the following devices running iOS 4.2 or later: iPad®, iPad® 2, iPhone® (3GS or later), iPod touch® (3rd generation or later). Works with HP's AirPrint™ enabled printers and requires the printer be connected to the same network as your iOS device. Wireless performance is dependent upon physical environment and distance from the access point. AirPrint, the AirPrint Logo, iPad, iPhone, and iPod touch are trademarks of Apple Inc., registered in the U.S. and other countries. ⁴Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups. ⁵HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period. ⁶Measured according to ISO 7779 and declared in accordance with ISO 9296; values are subject to change. For current information, see <http://www.hp.com/support>. Configuration tested: HP LaserJet Enterprise 500 MFP M525dn printing simplex on A4 paper. ⁷Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages. This will damage the printer and void the product warranty. Power consumption value in Auto-Off mode is for Auto-Off/Wake on network and depends on customer network switch capability, user configuration and network activity and may require a firmware upgrade. Off-mode power may vary while checking network packets for print jobs. ⁸Declared yield value in accordance with ISO/IEC 19798. Actual yields vary considerably based on images printed and other factors. For more information, visit <http://www.hp.com/go/learnaboutsupplies>.
